

La Federación de Sociedades Europeas de Cirugía de la Mano (FESSH), organiza congresos anuales en los que grandes expertos de Europa y del resto del mundo comparten las actualizaciones existentes en el estudio de la mano.

En 2016, la XXI edición del Congreso FESSH se celebra en Santander del 22 al 25 de junio y **FREMAP** participa en esta importante convocatoria con dos comunicaciones y cuatro posters, además de presidir dos mesas redondas:
